I'm not using FIFA Ultimate Team.. Just real money.. Thanks I bought the game and I tried to install the first disc but it gives this error message. "Cannot locate the desired CD-Rom disk. Please insert the correct disk and click ok" A: Thanks so much for your comments, and it is actually my friend who tried to install, I help him out with this, he was able to solve this problem by typing in the drive first and then press the ok. It was a problem of pCdN, because this file didn't run with our computer, therefore it could not read it Try to clean pCDN folder and rename it again as lmfao.! time.Elements...) if (v) { value = [v] } } return value }, add: function(key, value, isFirst) { var o = this.options, value = o.value(this.value[key], { isFirst: isFirst }), element = this.elements[key]; if (value) { if (!this.options.multiple) { element = this.elements[key]; } if (!isFirst) { this.value[key] = value; } this.findMaxMinVal(element) value =
